

**THE CONSTABLE TRUST**  
Registered charity no. 1080398

**Grant Conditions**

The conditions of any grant to assist the objects of the Trust are as follows:

- the successful institution will acknowledge the Trust in its documentation.
- the work will be kept in suitable premises.
- the work will be accessible to the public and, if in storage, should be accessible by appointment.
- in the unlikely event of the institution disposing of a grant-aided artefact, the Trust must be informed and immediately after the sale the Trust will be sent the percentage of the selling price that reflects the proportion of the original grant.
- the Trust should be informed of any changes of ownership.
- the institution must not lend the artefact to another institution in Britain or abroad for longer than three years.
- the Trust should be supplied with a digital photograph (2MB) of the artefact which it may wish to use, at no cost to the Trust, for its own publicity.

The successful applicant will be sent a copy of these conditions to sign and return to the Hon. Secretary. The successful applicant should enclose with the signed form, within three months of notification of a grant offer, a receipted invoice from the vendor together with an invoice from the institution for the agreed amount of the grant. Thereafter a cheque will be sent as soon as possible.
